

NATIONAL TRAINING CENTER

in partnership with Richard J. Daley College

*Thank you for considering a donation of machines and/or materials to the AGMA National Training Center. Below is the Center's "Wish List." Please note the Center's door is 8 feet high and 9 feet 10 inches wide – donations must fit, or can be broken down to fit, through this opening. To offer a donation, please submit a Donor Contract with Schedule A by **March 31, 2020**. Donor Contracts will be reviewed and approved as they are received.*
